PART B REQUIRED DOCUMENTATION:

The following information must be provided or your application will be considered incomplete:

- * **Identification** (copy of driver's license and social security card for each occupant - please include Birthdates & School Grade)
- * **Proof of Income** (i.e. pay stub, Social Security statement, retirement or pension statement, of each occupant 19 and older)
- * **Proof of Property ownership** (i.e. copy of deed or property tax notification)
- * **Proof of Residency** (i.e. copy of energy bills [electrical and gas bill] showing owner's name and address.)
- * **Property Report Card** (obtained from local Court House; however, n/a if your home is a Mobile Home)
- * **Do you receive Energy Assistance (LIHEAP)?** If so, Please provide current documentation of payment.

PART C STATEMENT OF AFFIRMATION:

1. I certify that the information I have provided is true and correct to the best of my knowledge. I hereby give my consent for the Central Alabama Regional Planning and Development Commission (CARPDC) Weatherization Assistance Program (WAP) to verify the information I have given. **I understand that I am subject to any applicable Federal or State laws concerning fraud or knowingly providing false or incomplete information in order to obtain assistance.**
2. I understand I have the right to a hearing pending dissatisfaction with my application and or its process. I understand that if Mold contamination is encountered any time during the Weatherization process, work will cease until properly remediated. I also understand I am responsible for securing a licensed Mold Remediator.
3. I hereby grant and authorize CARPDC and their duly appointed agents the right of entry to my residence to conduct inspections, prepare bids and make repairs. Further, I hereby release and pledge to hold blameless CARPDC and their duly appointed agents from any liability arising from the performance of this weatherization work related to this authorization or eventually arising there from.

Applicant's Signature: _____

Date: _____

What is the Weatherization Assistance Program (WAP)?

FUNDING: The Weatherization Program is sponsored by the US Department of Energy and by the ADECA – Energy Division and administered by the Central Alabama Regional Planning and Development Commission (CARPDC).

PURPOSE: The program's purpose is to improve the energy efficiency of the residence and does NOT perform rehab or remodeling work. It assists low-income families: 1) primarily the elderly, 2) persons with disabilities, and 3) families with children (18 and under) to reduce energy costs. This program is free to **eligible home owners**.

1. How does the Weatherization Program work?

Prospective applicants fill-out a simple one-page application (see reverse) and provide the following documents:

Proof of income (i.e. pay stubs, Social Security, retirement or pension for ALL occupants.)

Proof of property ownership (i.e. copy of deed or property tax notification)

Proof of residency (i.e. copy of energy bills, electric and gas) these documents must have the name and address of home owner.

Identification (copy of driver's license and social security card for each occupant)

Property Report Card – (from Court house or tax assessor's office, N/A for Mobile Homes)

Application will be reviewed for income and family eligibility.

- Assessment of the property will identify the weatherization needs of the residence.
- If your application is approved, CARPDC contractors will review and bid on the weatherization work at your home.
- A contractor will be selected and assigned to perform the work on your home.
- Upon completion, work will be inspected for quality and compliance to program standards.
- If work requires redoing, the contractor will complete the rework in a timely manner.
- Upon completion of the weatherization process, you will start enjoying a more comfortable and energy efficient home.

2. If you are a renter, can the Weatherization Assistance Program assist you?

The answer to this question is yes. The process is similar to the one just described. The difference is an additional step in the process. The owner of the property, your **landlord**:

- 1) will be asked to pay a portion of the costs of the measures installed on your home, and
- 2) **required to not increase the rent for one year from the date of final inspection.**

If you are a renter, pass this information on to your landlord. The program will be beneficial to the both of you.
