Staff Spotlight

**Chantil
Nasef**

Hi, my name is Chantil, and I'm CARPDC's Financial Clerk. I've been a part of the team for nearly one year now, so you've probably spoken with me if you've called our office! I've lived in Wetumpka for over 5 years now and I'm glad to call it home.

Outside of work, I love spending my nights and weekends with my 2 sons, Ali and Kane. The 3 of us love to go kayaking, swimming, and fishing.

CARPDC attends...

Commissioner Sankey's Mental Health Symposium

Montgomery Commissioner Isaiah Sankey honored May as Mental Health Awareness Month with his Symposium, held on the 18th. Hosted at Troy University in Montgomery, attendees learned about local resources, advocacy efforts, and strategies for supporting those in crisis.

Farewell, Donny!

“WOW! Thanks everyone for making yesterday such a memorable one! It meant a great deal to me and to my family. I was very touched by all the words of affirmation, appreciation - especially the “retirement advice”. Some was just for fun, which

Anita and I enjoyed together. But some were genuinely sincere, and sincerely received. You each have left your mark on my life and heart. I hope that I have done the same for you. I count you all as friends.”

Donny Barber's Retirement Party, held May 17th, 2023.

Looking for harbinger?

Our CARPDC Harbinger will now be a more in-depth, Quarterly Publication, published in January, April, July, and October.

Local officials, involved community members, or proud civilians - please submit community or project Spotlights to be featured in July's Edition of the CARPDC Harbinger.

Now Hiring: Weatherization Energy Auditor

Do you have housing construction, remodeling, and repair experience? You do? That's great!

We're looking for a full-time, salaried Weatherization Energy Auditor. You'll need other qualifications, such as: high school diploma, competency in Microsoft Office, Excel, and Word, and willing to learn new skills, including building inspections and the use of technical equipment associated with the Weatherization Program.
